Margaret L. Cassidy

CORRECTION TO PRIOR INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

In an Information Disclosure Statement filed February 7, 2000, PTO-Form 1449 contained the following typographical errors:

U.S. Patent No. 4,849,797 was listed **incorrectly** as 4,894,797. It is requested that that the Examiner line through the incorrect Patent, namely 4,894,797, and U.S. Patent No. 4,849,797 which was cited in an Information Disclosure Statement filed March 22, 2001, which the Examiner marked as "duplicate" be considered at this time.

Japanese Patent Laid Open No. 02-210330 was listed twice. Once correctly and once **incorrectly** as 02-120330. It is requested that that the Examiner line through the incorrect Patent, namely 02-120330. Japanese Patent Laid Open No. 02-210330 has been considered by the Examiner on March 7, 2001, and therefore is not included herewith.

Pages 361-364 of the IEEE Electron Device Letters "High Performance Thin Film Transistors in Low-Temperature Crystallized LPCVD Amorphous Silicon Films" written by Hatalis, were **incorrectly** cited as pages 161-164. Please line through the incorrect reference and consider the corrected reference as indicated on the revised PTO-Form 1449 submitted herewith. Copies of the references have already been provided and are not submitted herewith.

The Commissioner is hereby authorized to charge fees under 37 C.F.R. §§1.16, 1.17, 1.20(a), 1.20(b), 1.20(c), and 1.20(d) (except the Issue Fee) which may be required now or hereafter, or credit any overpayment to Deposit Account No. 19-2380.

Respectfully submitted,

Eric J. Robinson
